Michigan Enhanced Driver's License (EDL) Now available

Enhanced driver's licenses are equipped with the latest technology to speed up border crossings and deter fraud. They cost \$45 and enhanced state identification cards are \$30. Applicants will receive them in two to three weeks. The EDL eliminates the need to carry multiple ID documents when returning to the U.S. by land or sea from Canada, Mexico, Bermuda or the Caribbean. It is ideal for those who may be heading to Canada, such as sportsmen, day travelers and vacationers.

When travelers approach an American border station in a vehicle, they simply hold up their EDL. Technology in the card allows it to be scanned from a distance. By the time travelers reach the station, security personnel will usually only need to make a quick visual check.

Enhanced licenses are available to Michigan residents who also are U.S. citizens. To apply, residents may visit any Secretary of State SUPER!Center or other select branch offices. The application process is relatively easy for those who already have a current driver's license. They only need to present proof of a valid Social Security number and U.S. citizenship in addition to their driver's license.

EDLs are offered for voluntary purchase and are not required. Residents may continue to receive standard driver's licenses and state identification cards if they choose.

For more information on how & where to obtain an enhanced driver's license, visit www.Michigan.gov/sos.

To register for an event, please mail this completed form and payment to Lapeer County Bank & Trust Co. Prestige Club P.O. Box 250 Lapeer, MI. 48446 or reserve a spot by calling 810-664-2977 ext 337.

Reservations: Typically, a deposit is required when making a reservation to secure your place on any Prestige trip. You can reserve your place by either calling us or sending in the reservation form with your deposit. If you are making your reservation by phone, please submit your deposit within five working days. If we receive your request after the event has filled, we will notify you that you are on a waiting list. Two weeks prior to the event, we will send a letter with final details to all who have a reservation. Please read it carefully as there may be changes that have occurred since the original publication.

Cancellations: Should it be necessary to cancel a trip, we request as much notice as possible. A refund of your deposit, in full or in part, will be made if you cancel prior to the final payment date if, 1. There is a waiting list of members and we can fill your vacancy, 2. there are no cancellation penalties charged by our vendors. If you must cancel after the final payment due date, any refund will be determined by the vendors and their penalty policies. Please be advised that a 100% refund is not always possible due to pre-paid meal reservations and ticket purchases. Extended trips feature cancellation insurance, which we highly commend.

Health Policy: For the first trip of the year, we ask that you complete a confidential medical form that is used only in the event of an emergency. If you have no changes, we will keep your form on file for one year and not require an updated form for each trip. A companion who is capable of and responsible for providing that assistance including the giving of medications should accompany persons requiring assistance.

Please note: In order to keep costs down, the pricing of the trips is based on a projected number of travelers, typically 25, on a break-even basis. If that number is not reached, our trip may have to be cancelled.
